REMINDER – NSPCC Number Day – THIS FRIDAY!

On **Friday 2nd February** we are having a fun day of maths activities and we will be taking part in **Dress up for Digits**. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or get even more creative by dressing in a maths or numbers theme. To help raise money for the NSPCC, we are asking for donations on our JustGiving page, and we'd love everyone in the school to take part in this special event. Please follow this link to donate.

REMINDER

PFA Numbers Disco! – Friday 2nd February, KS1 5:00pm to 6:15pm and KS2 6:30pm to 7:45pm. Last ticket sales today in the shelter after school. Or online by scanning here:-

REMINDER - Poetry assembly – Willow Base parents – Next Thursday

As part of our English curriculum, children in all classes will perform learnt poems to parents throughout the year. On Thursday 8th February, we would like to invite all Willow Base parents in to watch the children recite poetry. The assembly starts at 9.05am and will finish at approximately 9.30am. It would be great to see you all there!

Maple Base STEM Day – Friday 9th February

Next week, all children in Maple 1 & 2 will be taking part in a STEM day. STEM means 'Science, Technology, Engineering and Maths'. Aided by our very own STEM Ambassador – Tim Fox, the children will have a chance to immerse themselves in practical tasks throughout the day to allow them to develop their STEM skills. Watch this space in the newsletters for more information about the day!

WOW information

Please find attached details about our WOW Walk to School events! Please do take a look as there is a winning class each week for the most 'walks'.

REMINDER - Travel Survey – Please help us to keep our community safe

We are continuing to work with BCP Council to help create the safest environment for our children and families outside the school gates. BCP Council would like to assess how children travel to and from school. Cutting congestion and making it safer for those that walk, wheel, cycle and scoot is important to us all.

By completing the following survey, we would like to find out more about how you travel the way you do and why. We are keen to know how we can support you to be more active when you travel to school and what we can do to reduce unnecessary car journeys to school.
