LEARNING, ENJOYING,
& SUCCEEDING
TOGETHER!

By your child attending Bearwood Primary and Nursery School, you are agreeing to the school's values and ethos outlined below. Please ensure you have talked through this with your child.

Our Home School Agreement describes ways in which the school can work in partnership with parents and children. We believe that an effective home-school partnership is essential for the successful education of children. By working together, we can ensure that each child becomes happy, confident and secure and will grow up to be a valuable member of the community. Alongside our vision, we will develop confident communicators, independent learners, ambitious achievers and global citizens.
